## For Immediate Release

May 2, 2026

Victoria County Elections Administration has assessed the conditions of the polling locations at Placedo VFD and DaCosta VFD. As of 6:00 a.m., the Placedo VFD has electricity to the building and is accessible to all voters. DaCosta VFD is accessible to all voters but does not have electricity. Election personnel have been provided with emergency ballots and the polling location is open and operational. We will be monitoring this location throughout the day and will update as any changes are made.

We encourage everyone in these areas to be safe and alert as they are traveling to their preferred polling locations.
